

Adam Peaty

Welcome to Year 4! Miss Harries will be teaching Adam Peaty. Mrs Hughes, Mr Bentley, Miss Bishton and Miss Ellison will also be working with Year 4. This year, we will have the chance to build on all the GREAT learning we did last year in order to prepare us for Year 5. During the Autumn term, our first book that our learning would be based around is Fantastic Mr Fox by Roald Dahl. We will be writing a range of texts including: diary entries, instructions, a narrative, a character description and a biography. During the first half term, we will be learning about place value and begin to look at addition and subtraction. In STEM (Science, Technology, Engineering and Mathematics), we will be learning all about animals. We will be undertaking investigations, using the chrome books along with lots of other exciting stuff to help us with our science. Our P.E. days are Tuesdays and Thursdays. Homework will be given out every Friday. We can't wait to see what this year brings!
