

22<sup>nd</sup> October 2018

Dear Parents & Carers,

As a school, we really value input from our parents and understand how important it is to share how we can support you and your children with things they are learning about in school. As a result, please see the list of parent workshops that will be happening during the run up to Christmas.

- **Wednesday 14<sup>th</sup> November at 2:45pm** - E-Safety: How to help keep your children safe online and with technology with Miss Elks and the E-Leaders
- **Friday 30<sup>th</sup> November at 9:00am** - TT Rockstars: Our new approach to teaching times tables with Miss Harries and the Maths Mechanics
- **Tuesday 11<sup>th</sup> December at 9:00am** - Coffee & Cake with the Leadership Team: Please come and join us to learn all about how we can work together to achieve personal GREATness.

We look forward to seeing you all there as  
"Together Everyone Achieves More"

Regards

Mr Euan Holden

Assistant Head of School

"Partnering for Excellence with The Spencer Academies Trust."
