INSPIRE – Immersive Training Programme in Primary STEM Engagement

Get involved in an innovative training and delivery programme to feed into a large regional event to support STEM Engagement in Derby! This three step approach will support businesses in being able to reach out into their communities and raise aspirations for opportunities within local businesses in STEM. **We are now recruiting schools to host a STEM Ambassador workshop in February 2019 for their own school as a part of the Festival of Science and Curiosity.** Cost: FREE

Build It, Say It, Write It: The Effective Use of Representations and Manipulatives in KS2 and KS3

We are excited to offer this one day programme drilling down into the effective use of representations and manipulatives for KS2 and KS3 practitioners from Pip Huyton.

Date: February 26th 9am – 3pm **Cost:** £90

[Click here for more information](#) - [Book your place here](#)

Themed Immersion Days at the Research School

We are offering four themed days to share practical examples of our own school's journey engaging with the evidence to support our school improvement drive, including sources of evidence that have underpinned our thinking and practical ways in which we have translated the evidence into practice. **Cost: £50** for one day, including lunch and free resources

Choose from: Writing, Reading, Maths and Curriculum Design
