

Working together to communicate ideas.

Old learning is retrieved

New learning is practised

Deepen thinking by problem solving

Exploration of the world

Read and together

Spring Term 2

WONDERS of the world

Week 4 - Talk Homework

Focus: History

Next week, we are going to continue to explore the Stone Age as part of our history

Can you and your child use the inference magnifier to look at this picture and discuss what you can see?

Consider:

- What do you think people did for work in the Stone Age?
- Why are there not any photographs of the Stone Age? Do you think there were cameras back then?
- Where do you think people lived? What were their homes like?
- What kind of animals do you think existed in the Stone Age?
