

# Fabrice Muamba

Hello and welcome to our class page! Our class is called Fabrice Muamba and we are in year 6. We chose this inspirational person as our class name as we were so inspired by his story from his difficult childhood to how he overcame a cardiac arrest whilst playing football at only 23 years old. We are taught by Mrs Garton and we have two fabulous teaching assistants, Miss Hursey and Miss Walker, who also help us with our learning. Along with the other year 6 class, we are based in 'Zone 6', the outdoor block where we develop our love for learning and get ready to eventually move on to secondary school. We love getting involved in fun, active and challenging learning in our class involving lots of collaborative learning, the outdoors, ICT or using our imagination and seeing where it takes us! We are GREAT role models for the rest of the school and make sure we set an example to the younger children.

We will be updating the page to show off our GREAT learning so watch this space! In the meantime, check out our Twitter page [@Wyndhamyear6](https://twitter.com/Wyndhamyear6) to keep up to date with what we are getting up to!
