

## Greg Rutherford (Mr Christie's Class - FS2)

Welcome to the Greg Rutherford page! We are a fun, motivated and creative FS2 class taught by Mr Christie. Mr Beardsmore is our fabulous Learning Ambassador who will also be on hand to support the children with their learning.

We learn best when we take a truly hands on active approach, and therefore we try and access our learning through various ways that can facilitate that - from outdoor learning opportunities, to enriching trip experiences. There's no end to what we get up to in the Greg Rutherford class!  
adjectives.

Our motto when entering the classroom is that we find laughter in every day, and that is something we constantly live up to! Our vision for being part of the Greg Rutherford class is to make sure that each and every single one of us makes GREAT progress - from the writing we produce, to the sums we can solve – we are determined to take our learning to the highest possible level. We understand the importance of attending school every day to truly help us achieve this goal.

We aim to not only grow as individual learners, but also make personal growth, and achieve personal goals – from having the confidence to speak out loud, to making new friends.

You can join us on our GREAT journey this year by following us on twitter -
