We have had a very positive start to our academic year with all 3 half terms so far being green! There is typicality across the board of those children that are in every day and those that have time off.

The importance of education has continued to be a major theme in newsletters and in the reward assembly every Friday. The children are focussed on aiming high and achieving good attendance in their class.

Incentives continue to motivate and encourage children and the competition that is seen between classes to have the best attendance is a joy to see!

We are yet to hit our target figure of 98% but the children understand that it is one of our goals and are keen to do their bit to help us to achieve it.
