

# Jonnie Peacock

Welcome to year 5! Jonnie Peacock will be taught by Miss Elks. This year we will be learning lots about forces, Rainbow Grammar, the Vikings and place value ready for year 6! Our PE days will be Tuesday and Thursday so please bring pumps or trainers on those days. We will be having a STEM afternoon on Wednesday afternoon when we learn about science, technology, engineering and maths. Later in the year, we will be competing in a Rolls Royce Engineering competition!
