

Jonny Brownlee

Our class names are based on inspirational sports people, the Jonny Brownlee class is taught by Mrs. Marvill. Jonny Brownlee is a triathlete who has won medals all across the world with his brother Alistair Brownlee. The pair became even more inspirational when Jonny collapsed during a triathlon due to exhaustion and his brother Alistair helped him across the finish line. This is the ethos for our class as we believe in supporting and caring for each other on our journey through Wyndham together. We are one of three FS2 classes the others being Alistair Brownlee and Greg Rutherford. Our exciting environments provide the best learning opportunities indoors and outdoors for the children and provide creative experiences. We are so excited for the year ahead and the start of our learning pathway!

We will be updating the page to show off our GREAT learning so watch this space! In the meantime, check out our Twitter page [@Wyndhamyear6](https://twitter.com/Wyndhamyear6) to keep up to date with what we are getting up to!
