

# Lewis Hamilton

Welcome to the class page of Lewis Hamilton. We are a Year 1 class taught by Miss Gee with additional support from Miss Mellard, Mrs Flint, Mr Fearn and Mr Rogers.

We are very excited starting our new journey into Key Stage 1 and are currently learning new and exciting ways at taking on difficult challenges to help us learn lots of wonderful things! To do this we are exploring our beautiful environment as well as using technology to help us. By the end of Year 1 we want all children to celebrate how fantastic their learning journey has been and appreciate how hard they have worked to become independent, confident and super learners. Finally, our class wish for the year is that every child and adult in school has great success both academically and personally.
